Welcome to the Social Hub!

What it is: We're a small introductory group helping to guide newcomers to other groups within **The Social Hub and other support networks.**

We know that meeting a group of new people can be scary and intimidating. Through Fresh Start you will meet understanding people with experiences similar to your own and with whom you can chat within a private yet social environment. The location has spaces to talk personally with someone if you wish and/or join in with the group chats when you feel ready. If you would like somebody to meet you outside before coming in then simply let us know! Just contact The Social Hub or leave a message on 07949290645 and we'll make arrangements to suit you.
